School: School of Allied Health Sciences
Programme: Master of Science (Pharmaceutical Sciences) SAH 0116
Academic Year 2020-2021
Feedback Analysis

(This format is placed before the Departmental Academic Committee & the Board of Studies)

Stakeholder	Scale	Feed back questions Average							Suggestions by stakeholders in Feedback
		Q1	Q2	Q3	Q4	Q5	Q6	Q7	
Faculty 4	Excellent	90%	80%	90%	60%	80%	80%	80%	MD121T, QSAR and chemistry syllabus should be included.
	Very Good	65%	70%	60%	70%	75%	75%	70%	
	Good	65%	60%	75%	68%	65%	60%	65%	MD112T Syllabus should have Industrial case studies.
	Satisfactory								
	Not Satisfactory								
Student 34	Excellent	78%	81%	79%	81%	82%	80%	84%	Hands on Training and Practicals should be included, Industrial training should be included, More Guest Lectures to be included.
	Very Good	75%	69%	64%	68%	68%	63%	65%	
	Good	65%	60%	63%	64%	66%	41%	36%	
	Satisfactory	15%	18%	23%	18%	18%	24%	18%	
	Not Satisfactory								
Alumini 12	Excellent	90%	75%	85%	77%	90%			Industry specific training should be there , Analytical questions should be included.
	Very Good	85.00%	80%	83%	75%	92%			
	Good	50.00%	55%	65%	65%	60%			
	Satisfactory								
	Not Satisfactory								
Employers 4	Excellent	70%	65%	70%	70%	66%	65%	70%	Industry related topics should be added, Skill enhancing activities should be there.
	Very Good	60%	60%	60%	65%	60%	67%	66%	
	Good	50%	64%	67%	70%	65%	65%	60%	
	Satisfactory								
	Not Satisfactory								

Feed back analysis
(Few points)

1. QSAR and Chemistry syllabus should be included
2. Industrial case studies should be included
3. Hands on training should be included
4. More Guest Lectures should be included
5. Industry related topics should be added
