| <b>Employers<br/>(No. 2)</b> | Excellent    | 100%                       | 100% | 100% | 100% | 50% | 100% |    | More practical based syllabus to be included                   | Hands on training will be included in upcoming sessions                                  |
|                              | V.Good       |                            |      |      |      | 50% |      |    |  |  |
|                              | Good         |                            |      |      |      |     |      |    |  |  |
|                              | Fair         |                            |      |      |      |     |      |    |  |  |
|                              | Poor         |                            |      |      |      |     |      |    |  |  |

| Feedback Analysis: (Refer Feedback Analysis Report)                         | Feedback Action Taken:<br>(Summarise as in points)                                       | Indicate whether incorporated in Curriculum/Course   |
|---|--|--|
| 1 In depth teaching is suggested by stake holders                           | More emphasis on elective which are as per specialization are incorporated in curriculum | New course structure of M Tech is designed as per suggestions that includes more choices for students to do interdisciplinary studies based on their interest. |
| 2 More emphasis on practicals is suggested                                  | More guest lectures will be planned in upcoming sessions                                 | Some syllabi are designed as per suggestions   |
| 3 Hands on trainings and workshops should be organised                      | Hands on training will be included in  | Electives are designed as per specialization   |
| 4 Some part of course should be covered by Guest lectures and invited talks |  |  |
| 5 More time should be given for practicals                                  |  |  |
