Where for students

Q1:Preparation of lectures with quality content

Q2:Promptness in answering the questions

[Signature]

12/05/21

Q3: Efforts to make the course interesting

Q4: Willingness for discussion and consultation outside the formal classroom

Q5: Have the online classes been held as per the timetable

Q6: Have materials and Assignment provided in online classes

Q7: Has the syllabus been covered as prescribed

For Faculty

Applicability of syllabus to industry/practical needs

Applicability to life-long learning

Relevance of the syllabus to the Course

Appropriateness of technical tools/software integrated in curricula

For Employees and Alumni

Relevance of the curriculum to the Programme

Applicability of curricula to industry/practical needs

Addressal of curricula to current needs-local/regional/national/global

Applicability to life-long learning

Appropriateness of technical tools/software integrated in curricula

Appropriate blend of theory and hands on/practical learning

Suggestions for improvement of curricula
