SECTION B: Event report and reflection

1. Event objectives:

Objectives of the Event: This seminar will help to understand the following aspects;

- a. To impart the awareness about IPR from the entrepreneur's perspective.
- b. To provide a platform to all the researchers and entrepreneurs so that they can convert their ideas into copyright, patent, design etc..

2. Event description:

IPR plays an important role in the current technological era. It is concerned with the protection of the valuable and innovative ideas. Intellectual Property Rights (IPRs) provides rewards and recognition to inventors for their research, innovations, designs, discoveries and inventions. IPR protection plays a significant role in gaining modest advantage in terms of technological expansions for attaining higher economic growth.
