**SECTION B: Event report and reflection**

**Event objective**

To sensitise faculties to the latest participatory learning methodologies adopted by some of the premier learning institutions of the globe..

**Event Description**

School of Architecture and Planning (SAP) organized a 'Participatory learning Workshop. This workshop was planned on 13th march 2020 (1 day).

This Workshop involved pedagogies and methodologies which actively involves and motivates learners by drawing upon their own experience and skills in solving problems, using examples and situations of interest to them in t

This workshop shed light on adult learning principles and sensitizes the faculties on the latest participatory learning methodologies. It was an interactive session which made the faculty think about what does a student of google and youtube age expects in a classroom. All the participants were thoroughly engaged and made significant changes in their teaching learning approach after attending the session..
