A three day Workshop on “**Harnessing Intellectual Property Rights in Higher Education Institutions (HEIs) in the Changing Paradigm**” was organised jointly by Sharda University and Technology Information, Forecasting and Assessment Council (TIFAC), DST, in **virtual mode from 1500 Hrs. to 1700 Hrs. during 24, 25 & 26 Nov, 2021**, with individual themes and topics therein, carefully crafted with resource persons of eminence from government, policy makers, academia, patent attorney firms suitably selected for deliberations. **TIFAC agreed to support conducting workshop in the form of payment to all the speakers of Workshop.** It may be noted that Technology Information, Forecasting and Assessment Council (TIFAC), under Department of Science & Technology, has been playing an extremely important role in creating, nurturing and supporting innovation ecosystem in the country through its various schemes and programmes.

The Workshop was inaugurated on 24 Nov, 2021 by **Dr Pushendra Rai IAS, Former Director, World Intellectual Property Organization (WIPO), Geneva** a well-known international IPR expert. In the beginning of the inaugural session, Dr. Bhuvnesh Kumar, Dean Research, Sharda University welcomed the distinguished chief guest, resource persons of the workshop as well participants to the Workshop. He also recounted the steps taken by Sharda University for promotion of IPR culture in the form of setting up of a dedicated IPR Cell as well as implementation of new IPR Policy of Sharda University. Dr Sibaram Khara, hon'ble Vice Chancellor, in his special talk, emphasized the need for IPR culture and appreciated the efforts in organizing the Workshop. Dr Pradeep Srivastava, Executive Director, TIFAC, DST, in his special talk highlighted the efforts of TIFAC in popularizing IPR culture. The inaugural address was delivered by Dr Pushendra Rai IAS, Former Director, World Intellectual Property Organization (WIPO), on the topic **"Role of University Research and IPR System in Revolutionizing Technological Landscape of the World"**. He enumerated many well-known technologies viz. plasma screen and GPS coming out of university system for ultimate use by the masses. The formal vote of thanks was proposed by Prof. Avinash Kumar, Head, IPR Cell, Sharda University.

The first technical session was devoted for the theme **"Government Institutional Frameworks, Policies and Mechanisms for Fostering Creativity, Innovation and Entrepreneurship Towards a New Technological Order"**. Dr Mohit Gambhir, Director (Innovation), Ministry of Education, New Delhi made a very informative presentation listing out the various schemes of Ministry of Education devoted for promotion of entrepreneurship, innovation and teaching of intellectual property as a subject. The presentation was extremely relevant. Dr Yashawant D Panwar, Head, PFC, TIFAC, DST spoke on the topic **"Role of IPR Cell/TTO as Integrator and Facilitator in HEIs: Best Practices and Success Stories"**. He highlighted the importance of IPR Cell, as a nodal agency for dealing with all matters related to intellectual property rights, in a university system. He emphasized upon the empowerment of IPR Cell within the university.

The theme of the second technical session on 25 Nov, 2021 was **"Intellectual Property Systems, Legal Frameworks, Instruments, and their Impact on Educational and Research Ecosystems of HEIs"**. Ms. Hana Onderkova, Head, IPR, European Business & Technology Centre (EBTC) deliberated upon the topic **Role of European Patent System in State-of Art Research from European Universities for Market Economy"**. She broadly covered the mechanism of European Patent System. Dr KS Kardam, Former Sr Joint Controller, Patent Office, New Delhi spoke on the topic **"Patent Laws and Practices and Research in HEIs: Impact of Latest Amendments to Patent Rules"**. He highlighted the important role of IPR Cells in capturing, protecting, and prosecuting the patent applications of faculty and students. Dr TC James, Visiting Fellow, RIS & Former Director, Ministry of Commerce & Industry, New Delhi very eloquently explained the difference between fair use and infringements of copyrights as well as concept of plagiarism while speaking on the topic **"Plagiarism, Infringement, Fair Use and Case Laws: Changing Paradigm for Academic World in Digital Medium"** in the last lecture of the second day.

The third technical session on 26 Nov, 2021 was devoted on the theme of **"Research Collaborations, Commercialization and Diffusion of Technologies for Maximizing Social Impact"**. Mr Tarun Khurana, M/S Khurana & Khurana, Greater Noida gave an exhaustive presentation on **"Protecting Intellectual Assets in the area of Pharmaceuticals and Biomedical: Case Studies"**. Mr NG

Lakshminarayan, Business Head, NRDC listed out successful technology transfer cases from Indian Universities while deliberating upon the topic “**Success Stories in Commercialization of Intellectual Asset from Indian Universities**”. Finally, Prof. Avinash Kumar, Head, IPR Cell, Sharda University deliberated upon the topic “**IPR Issues in Research Collaborations**” highlighting the importance of IPR provisions in collaborative R&D agreements. The Workshop ended with Valedictory speech from Dr Bhuvnesh Kumar, Dean Research, Sharda University.

This Workshop shall help us in building our networks with, PFC (TIFAC, DST) and NRDC, Ministry of Education in the area of intellectual property rights and learning best practices from them.
