**SECTION B: Event report and reflection**

The programme was commenced from 9.30 am with the Welcome speech by Ms. Pankaj Rana, 2<sup>nd</sup> Year M.Sc Nursing student, followed by welcoming the chief guests. Professor Pauline Sharmila, Principal, SNSR shared her words of encouragement to the organizers and presenters and she spoke on the importance of Anatomy and Physiology as a subject in medical profession, emphasized the need to understand the living machines, i.e., various organs and systems in human body. Professor Pauline Sharmila, Principal, SNSR also unfolded the theme for chart competition to be held on 30.05.2018. The theme was Heart, Brain and Eye. She also encouraged the presenters and participants for their active involvement and for having hands on training in Anatomy and Physiology. Afterwards, there was a session of pre-test (questionnaire containing 25 items) conducted to assess the knowledge about Anatomy and Physiology. Knowledge level 99 students were assessed. At 10.00 am, all the speakers started their presentation according to the schedule. On the last day, feedback and post test was taken from the participants. As the part of chart competition, display of charts on the theme heart, eye and brain was held at 11.00 am which was later judged by the judges. Venue for display was

near dissection hall, Anatomy department, SMSR. The rewards was distributed to those students who got 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> in the competition.

**Objective:**

- To make aware of the anatomy and physiology of body system to the students
- To show the real organs to the students
