## **SECTION B: Event report and reflection**

### **Event objectives:-**

- To understand COVID- 19, Communication for Response and Containment Measures.
- To enhance the capacity of nursing professionals through improving knowledge, skills and sensitization of COVID -19 best practices.
- To enhance uptake of response and addressing of rumors and misinformation about COVID- 19.
- To focus on inculcating a positive mind set towards the latest lifestyle changes according to current scenario

### **Event description:**

School of Nursing Science & Research (SNS&R) is organizing **Skill Enhancement Training Program on COVID-19 | 13th-15th July 2020**

### **About The Topic:**

Skill enhancement provides the opportunity and knowledge for a client to develop and strengthen the necessary skills to gain, maintain, and advance in a chosen area. COVID- 19 which proves to be the Pandemic globally. Through proper skill training to the professionals through Modules by UP medical council can improve their overall performance in any identified area and in so doing can improve the overall quality of life both for themselves and the client. Skill enhancement or training typically uses a combination of cognitive and behavior problem solving approaches, both of which are used to strengthen a person's positive skill development to fight of thechallengingtimes.
