Present Status : Higher Education / Working / Entrepreneur

Organisation / Institution Name : Angel Engineering Consultancy Pvt.Ltd

Organisation / Institution Place : Lalitpur, Nepal

Current Position in Organisation : Civil Engineer

S No.	Statements	Please tick (✓) the appropriate one				
		Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1	The outcome-based education curriculum helped to improve domain knowledge and soft skills.	✓				
2	The curriculum facilitated analytical thinking and problem-solving.	✓				
3	The curriculum ensured holistic development through social, emotional, and ethical learning.	✓				
4	The hands-on training and laboratory practical work taught in synchronisation with industry helped promote lifelong learning.	✓				
5	The curriculum has prospects for higher education, employability, and experiential learning.	✓				
6	The curriculum promoted teamwork and encouraged the development of essential leadership skills.	✓				
7	The programme offered industrial visits, project work, internships, field visits, and community-connect training.	✓				
8	The curriculum ensured relevant technical tools and software were integrated.	✓				
9	Any other suggestions for curriculum improvement?	should include subjects focused on core structural engineering & recent softwares
